"REMEMBER IN NOVEMBER!"

"As Republican Women we are prepared to stand up for and act on the conservative principles, policies, and convictions held by all true conservatives."

What an exciting time to be a Republican! The Tea Party is activating people and what a lineup of new faces in the GOP. I am so proud of what is happening amongst conservatives. We are energized with these new faces and new ideas. I urge all of you to please get involved in supporting candidates at every level. There are so many ways you can help. With a checkbook, making phone calls, or having a coffee in your home. Stay plugged in and in touch by coming out to TCRWF functions. It is wonderful to be able to discuss issues with like minded people.

We are having a Candidate Forum in Hayfork on October 4th and hope you can attend. The Sheriff's Candidates, Karen Brooks running for State Assembly 1st District, Todd Jones representing Congressman Wally Herger, and Nadine Bailey Legislative Representative for Ca State Senator Sam Anastad will be speaking. "Some may try and tell us that this is the end of an era. But what they overlook is that in America every day is a new beginning, and every sunset is merely the latest milestone on a voyage that never ends."
President Ronald Reagan

CHAPLAIN'S CORNER

Beverly Leeder, Chaplain

The United States Supreme Court begins its work each year on the first Monday of October. The term opens with the traditional chant of the court crier: "Oyez! Oyez! Oyez! (Translated "Hear Ye!") All persons having business before the Honorable, the Supreme Court of the United States, are admonished to draw near and give their attention, for the Court is now sitting. God save the United States and this Honorable Court!"

The Court's main job is to interpret and protect the Constitution so we pray now for divine wisdom, godly principles, strong, traditional values and truth to prevail in the Court in the coming year that it may do its job well.

God bless the United States Supreme Court and God bless America through its divinely directed decisions!
 Amen.

AUDREY DIANE BUSH HALL

Our thoughts and prayers are with the family of Audrey Diane Bush Hall with her passing on September 14, 2010. Audrey was a long time member of TCRWF. Audrey loved people and had many friends in Trinity County. People young and old appreciated her intelligence, insight, creativity, enthusiasm, humor, wit, fun-loving spirit, and young-at-heart and upbeat attitude. She left this world as she lived it: with strength, courage, dignity and, above all love. She will be deeply missed by her family and many friends.

GOP's PLEDGE TO AMERICA

America is more than a country.

America is an idea - an idea that free people can govern themselves, that government's powers are derived from the consent of the governed, that each of us is endowed by their Creator with the unalienable rights to life, liberty, and the pursuit of happiness. America is the belief that any man or woman can - given economic, political, and religious liberty - advance themselves, their families, and the common good. America is an inspiration to those who yearn to be free and have the ability and the dignity to determine their own destiny. Whenever the agenda of government becomes destructive of these ends, it is the right of the people to institute a new governing agenda and set a different course.

These first principles were proclaimed in the Declaration of Independence, enshrined in the Constitution, and have endured through hard sacrifice and commitment by generations of Americans. In a self-governing society, the only bulwark against the power of the state is the consent of the governed, and regarding the policies of the current government, the governed do not consent. An unchecked executive, a compliant legislature, and an overreaching judiciary have combined to thwart the will of the people and overturn their votes and their values, striking down longstanding laws and institutions and scorning the deepest beliefs of the American people.

An arrogant and out-of-touch government of self-appointed elites makes decisions, issues mandates, and enacts laws without accepting or requesting the input of the many. Rising joblessness, crushing debt, and a polarizing political environment are fraying the bonds among our people and blurring our sense of national purpose. Like free peoples of the past, our citizens refuse to accommodate a government that believes it can replace the will of the people with its own. The American people are speaking out, demanding that we realign our country's compass with its founding principles and apply those principles to solve our common problems for the common good. The need for urgent action to repair our economy and reclaim our government for the people cannot be overstated.

With this document, we pledge to dedicate ourselves to the task of reconnecting our highest aspirations to the permanent truths of our founding by keeping faith with the values our nation was founded on, the principles we stand for, and the priorities of our people. This is our Pledge to America.

We pledge to honor the Constitution as constructed by its framers and honor the original intent of those precepts that have been consistently ignored - particularly the Tenth Amendment, which grants that all powers not delegated to the United States by the Constitution, nor prohibited by it to the states, are reserved to the states respectively, or to the people.

We pledge to advance policies that promote greater liberty, wider opportunity, a robust defense, and national economic prosperity.

We pledge to honor families, traditional marriage, life, and the private and faith-based organizations that form the core of our American values.

We pledge to make government more transparent in its actions, careful in its stewardship, and honest in its dealings.

We pledge to uphold the purpose and promise of a better America, knowing that to whom much is given, much is expected and that the blessings of our liberty buoy the hopes of mankind.

We make this pledge bearing true faith and allegiance to the people we represent, and we invite fellow citizens and patriots to join us in forming a new governing agenda for America.

HOUSE PASSES HERGER BILL CRACKING DOWN ON MEDICARE FRAUD

Wednesday, September 22, 2010

WASHINGTON – Rep. Wally Herger (R-CA), Ranking Member of the House Ways and Means Health Subcommittee, today praised House passage of H.R. 6130, the Strengthening Medicare Anti-Fraud Measures Act. The bill, a bipartisan effort, passed by voice vote and now awaits action in the Senate.

The legislation expands the authority of the HHS Office of Inspector General (OIG) to allow it to ban corporate executives from doing business with Medicare if their companies were convicted of fraud. It also gives the OIG the ability to exclude parent companies that may be committing fraud through shell companies.

Ranking Member Herger said, "I'm pleased that the House has taken OIG's requested steps to close these loopholes that have allowed perpetrators of Medicare fraud a way to stay in business. With these additional tools OIG will be better able to stop those individuals who commit fraud but who have been able to stay one step ahead of law enforcement, saving taxpayer dollars and protecting seniors. Medicare fraud is a crime that hurts senior citizens, law-abiding health care providers, and every American who pays taxes."

Congressman Herger, along with the Chairman of the Health Subcommittee, introduced the bill with bipartisan support last Wednesday after holding a hearing in June on fraud, waste, and abuse in the Medicare program. At this hearing, the Chief Counsel for the OIG asked members of the Ways and Means Committee for this new authority. For more information on this hearing, please visit: <http://go.usa.gov/xDC>

The legislation addresses two gaps that exist in fighting Medicare fraud:

- Executives from companies that are convicted of fraud can be excluded from Medicare under current law. However, if the executive has left the company by the time of conviction, he or she cannot be barred from federal health programs. These executives are able to move from one company to another and continue to defraud Medicare, seniors, and taxpayers. H.R. 6130 would give the OIG the authority to ban these executives from doing business with Medicare.
- Companies that engage in fraud often set up shell companies to insulate themselves from liability. Criminal settlement negotiations can result in the dissolution of these shell organizations with no real penalty to the parent company. H.R. 6130 gives OIG the authority to exclude these parent companies from the Medicare program.
